

**INTERNATIONAL SYMPOSIUM ON TURKEY-ROMANIA RELATIONS:
PAST AND PRESENT**

4-6 October, 2017 / Constanta / ROMANIA

TERMS OF PARTICIPATION IN THE SYMPOSIUM

Abstract Submission and Evaluation

Domestic and foreign academicians **as well as** researchers who study the relevant subjects are welcomed to participate in the symposium. For participation, paper abstracts containing *objectives, methods, sources used* and *possible findings* with a minimum of 300 words must be sent as an attached file to turkiyeromanya@atam.gov.tr. The deadline is the end of the working time on 14 April 2017. Paper abstracts will be evaluated by the members of the Organizing and Scientific Committees by taking their *conformity with symposium topics and scientific conditions as well as the originality of the studies* into account. Assessments by the committee members will be in the way of *acceptance / correction / rejection*. The accepted papers will be announced to the related people and they will be asked to send the *full text* until 01.09.2017. Papers which are not sent in full text is not going to be included in the Symposium Program.

It is necessary that the Paper has not been presented or published elsewhere before and has not been used in a “chapter,title or subheading” of any published book, or in any thesis even if it has not been published.

After the symposium, Papers presented will be published in the Symposium Book of Papers. Official languages of the symposium are Turkish and English.

Submission of the Full Text

The full texts of the accepted papers must be sent as a Word file in conformity with spelling rules and writing format to turkiyeromanya@atam.gov.tr until 8 September 2017. The papers, the full texts of which have been sent, will be involved in the symposium program after being examined by the Organizing and Scientific Committees *in terms of conformity with abstract and scientific terms*.

FULL TEXT WRITING FORMAT FOR PAPERS

1. The heading of the study must be written in bold, using capital letters; the text-alignment should be central and the name of the author should be placed just below, to the right. The academic title, institution and e-mail should be given respectively in an unnumbered footnote at the bottom of the page.
2. Following the heading and author name, the Turkish and English summaries/abstracts should be written in size 10pt, each consisting of 200 words. The English summary should also include the heading in English.
3. The typeface should be Times New Roman, in size 12pt. Tables, footnotes and references should be relayed in size 10pt.
4. The study should be written in M. Word program, blocked according to an A4 paper size. Margins should consist of 2,5cm while the header and footer should be 1,25cm.

5. There must be spacing between paragraphs. The indent: 0 cm, 6pt space-before: 6pt space-after, using single line spacing.
6. Concerning references, the surname of the author, date of publication and page number should be given in this order in brackets as in the following example: (Çaycı, 2002:520). If referenced in a footnote, however, it should be expressed in a sequence following the name and surname of the author, the book title (in bold, articles expressed in quotation marks and italic), the publishing house, place and date of publication and page number. The sources used should be presented as in the format of footnotes, in alphabetical order according to surname at the end of the article.
7. Tables and graphics need to be individually numbered, giving their resources directly beneath the table or graphic in size 10pt.
8. Original documents, pictures (photos, images, etc.), maps which are not directly relevant to the study should not be presented within the article body but should be numbered and attached at the end of it. High-resolution images should be saved on a CD and submitted separately.
9. The paper is to be from 8 up to a maximum of 16 pages.
